KNOW YOUR CHEESE

Burrata, meaning buttery in Italian is a fresh cheese made from mozzarella. It is creamy in the middle & harder outside.

Feta is undoubtedly one of the most famous Greek cheeses. It is a pickled curd cheese that has a salty and tangy taste.

Parmesan has a hard, gritty texture and is fruity and nutty in taste. It is considered to be among the top cheeses by cheese connoisseurs.

Blue Cheese is an aged cheese that carries a distinct pungent smell with a sharp & salty taste. It can be spread, crumbled or melted over foods.
